Work Experience:

Developer, Freelance, Raleigh, NC | Cupcakes by Jenn | *August 2023 - Current*

- Frequently communicated with the client throughout the development process.
- Developed and wrote the web application from start to finish.
- Collaborated with the client to develop mock-ups into reusable code for an interactive, user-friendly application.
- Refactored code and improved quality throughout the development process.

Teacher, Durant Road Middle School, Raleigh, NC | *Aug 2022 - June 2023*

- Led a team of individuals as department leader to ensure needs and goals were met successfully.
- Regularly adapted teaching methods to meet diverse student needs.
- Maintained consistent communication with families and stakeholders to support student success.
- Worked with district leaders as a liaison for colleagues, students, and parents.
- Modified and streamlined content to meet the needs of stakeholders while obtaining the same goal.

Teacher, Wake Forest Middle School, Raleigh, NC | *Jan 2022 - Jun 2022*

- Collaborated with PLC team members to prioritize lessons and materials to meet our goals.
- Aligned content with State Standards and integrated technology, adapting my methodologies to satisfy expected outcomes.
- Communicated effectively with all stakeholders to foster student success.

Teacher, TWO Academies Magnet at Dent Middle, Columbia, SC | *Aug 2013 - Jan 2022*

- Served as team leader to support, communicate, and collaborate with all stakeholders.
- Maintained frequent and thorough communication with stakeholders to ensure success.
- Developed, modified, and streamlined content to meet all needs of students.
- Served as the content leader to support my colleagues, as well as acting as the liaison between administration and other stakeholders.
